SCHOOL NEWS

Year 5 had excellent days visiting Benton Park and Guiseley School in July.

At Benton they got to try out a variety of lessons and were taught by specialist teachers in languages, Computing, PE in the sports hall and Science in a science lab (with Bunsen Burners - a highlight!)

Ms Johnson said of the trip to Benton Park: "It was great to experience a day at High School and familiarise ourselves with such a big building!

"All of Year 5 were really well behaved and represented our school very well."

Highlights of the Year 5 trip to *Guiseley School* included taking part in a fabulous Art class and some fascinating science experiments. The children enjoyed finding out about the school and all the different lessons they could be involved in.

YEAR 5/6 had a vaping and smoking workshop in school last Friday.

Some of the things they learnt about included the negative effects of vaping/smoking/nicotine on their bodies; how to tell the difference between legal and illegal cigarettes/vapes and advice on how to anonymously report illegal/underage sales.
