## YWJS DOES IT AGAIN - ACHIEVES PLATINUM IN THE SCHOOL GAMES MARK AWARD!

We are delighted to announce that we, Yeadon Westfield Junior School, have achieved the School Games Platinum Mark Award for the 2024/25 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

This year our certificate has been awarded based on our continued provision of equal sports opportunities and our drive to provide physical activity across the school day.

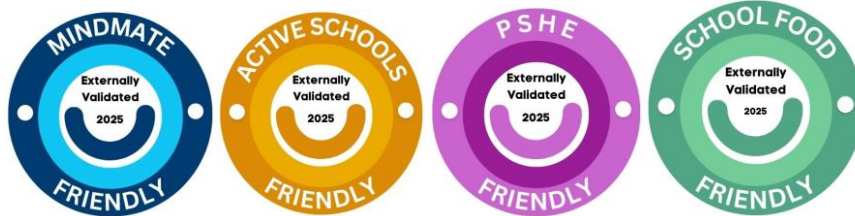

With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to:  
EVERYONE that has helped make this happen!

We look forward to applying once again in 2026!

After a recent visit YWJS is proud to announce it has been revalidated with Healthy School status, along with being externally validated Mindmate Friendly; Active Schools Friendly; PSHE Friendly and School Food Friendly! Well done to everyone involved in helping us achieve this wonderful outcome. And an especially big thank you to all the wonderful parents and governors who came in on the day of the revalidation and spoke so highly about the school and the ways we support the children so positively.

Also, as part of this assessment, the assessor picked up on things we are doing as a school that go above and beyond in relation to the Child Friendly Leeds wishes and have additionally awarded the school an official "Exceptional contribution to the Child Friendly Leeds wishes" for which the school has been awarded a digital badge displayed below -

Wish 1: Children and young people know how and where to get support for their mental health and wellbeing if they need it. *Children and young people have a greater understanding of their mental health and emotional wellbeing. They know where to get information and advice and who to speak to, to help them find services and support and it is available to them when they need it.*

**IT'S** not too late to take part in the Just One More photo competition, part of the FoodWise Leeds initiative, but be quick, it closes this Friday on 27<sup>th</sup> June 2025.

All you need to do is take photos of veg! It could be photos of vegetables being eaten or anything creative related to vegetables.
