Outstanding work of the week awards for 13.06.25 goes to -

Finlay A, Emmett, Rocco, Chloe M, Ava F, Gabriel A, Rupert P

View the work in the display cabinet under the canopy in the playground.

# SCHOOL NEWS

THE  
**READING**  
AGENCY **Summer Reading Challenge**

## Help Your Child Discover the Joy of Reading This Summer!

This summer, give your child the chance to fall in love with reading! The **Summer Reading Challenge**, created by The Reading Agency and delivered in partnership with public libraries, is a **FREE**, fun-packed way to keep kids reading and learning all summer long.

This year's theme is **Story Garden**, where imagination blossoms and stories grow! Children will explore creativity, storytelling, and the magic of books through exciting activities and adventures.

### Why Join?

- It's **FREE!** Available at local libraries and online
- Inspires a **lifelong love** of reading
- Boosts **confidence, creativity, and imagination**
- Earn **rewards, certificates, and prizes**
- Fun for the whole **family**. Visit your **local library** together
- **95%** of children said they **read more** after joining!
- Children **choose their own books** to read over the summer, **collect rewards** for each milestone they reach, and **receive a certificate or medal** when they complete the challenge.

Visit your local library or go online at  
👉 [summerreadingchallenge.org.uk](https://summerreadingchallenge.org.uk)  
to get started from 5 July 2025.

Help your child start their reading adventure today!

**YEADON** Library and Rawdon Community Library and other local libraries are running the Summer Reading Challenge again this year. It starts on the 5<sup>th</sup> July and runs for the entire school holidays. It's completely free of charge and as well as promoting a love of reading, it will hopefully encourage children to visit their local libraries. Every child receives a leaflet explaining how it works and they also receive an incentive each time they return books. After reading six books, they receive a medal and certificate to show they have completed the challenge. This year the theme is *Story Garden*, encouraging children to look at all the wonderful creatures and plants all around them.

### Wellbeing - Transition & Dealing with change

For some children the transition to a new school year can be unsettling. As usual, we will be carefully supporting the children through the process in school, but if you feel your child would benefit from talking about it at home too, we recommend discussing the following areas together:

- Things which will be the same
- Things which will be different
- Questions I have about what is happening
- Feelings I have about what is happening

For parents of year 6 children there is also an article from Parenting Smart which you may find useful:

<https://parentingsmart.place2be.org.uk/article/helping-your-child-prepare-for-secondary-or-high-school>

# Website Videos

<https://www.yeadonwestfield-jun.leeds.sch.uk/>

Other staff may have uploaded videos and slideshows not mentioned here. They will have informed the children involved in them.

Local band The Dunwells came in to school.

They spent the morning with **Year 5 and 6** who enjoyed a brilliant song-writing workshop. They worked together to generate ideas for a song, wrote the lyrics as a team and then performed their songs to the whole school in the afternoon. The whole school enjoyed a super treat in the afternoon watching The Dunwells perform their songs - everyone joined in singing and clapping along! It was very uplifting! Watch the video at [About Us - Curriculum - Music](#) or by selecting the image below:

## THE DUNWELLS

**Year 5 and 6** had their Sports Day. You can watch **three** videos of their day at [About Us - Curriculum - PESSPA - School Sports](#) or by selecting the image below:

**Year 4** had a fabulous Science lesson where they learnt to make a simple circuit with a switch. You can view photos at [About Us - Curriculum - Science](#)

# 60th ANNIVERSARY

**On Monday 7th July**

HELP US CELEBRATE THIS UNIQUE EVENT! SEND YOUR CHILDREN TO SCHOOL IN SIXTIES CLOTHES, AN INFLATABLE ASSAULT COURSE ON SITE ALL DAY, AN ICE-CREAM VAN AND LOTS OF OTHER FUN ACTIVITIES PLANNED! MORE INFO COMING SOON ...

# What Parents & Educators Need to Know about YOUTUBE KIDS

AGE RESTRICTION  
**4+**

## WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

### INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

18  
CENSORED

### BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

BUY NOW!

### DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

### SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

### AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading 'scientific' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

### DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

## Advice for Parents & Educators

### PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'Preschool' or 'Younger'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

### SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

### CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'Recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

### WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.
