View the work in the display cabinet under the canopy in the playground.

# SCHOOL NEWS

**RED** Nose Day proved to be a wonderful celebration here in school with children looking fabulous in their super costumes. YWJS raised around £243.41, on JustGiving and cash donations on the day, for this thoroughly worthy cause. Thank you to everyone for all your efforts and generous donations!

Come for a Trial Lesson! Get Into Guitar have a limited number of spaces in their Guitar Rockers Lessons. They supply lots of suitably sized acoustic and electric guitars during lessons and use headphone amplifiers and guitar computer games. They also run Band Performances, Battle of the Bands video recordings and Solo Competitions. Lessons are £6 each. Please see some of their students' achievements - [www.getintoguitar.co.uk/media/](http://www.getintoguitar.co.uk/media/)

Visit the link or scan the QR code to sign your child or children up.

**EASTER** is just around the corner now and the school will be holding its annual Easter Egg Decorating Competition AND Easter cake decorating competition on Monday 31<sup>st</sup> March - ALL entries must be in on that day to be in with a chance of winning an Easter Egg. There have been some really amazing entries in previous years and everyone is looking forward to seeing all your marvellous creations this year!

**A VERY BIG THANK YOU** to Mrs Dandy for all her time and effort organising and running the Mother Day present stall at breaktime in the school hall last week. An outstanding £170 was raised for school funds.

THE Royal Mint is currently running a short story competition, open to primary school children aged from eight to 11-years-old. Students must submit a story of no more than 500-words around the topic Sustainable Futures, entries can be made up until 25<sup>th</sup> April, with winners being announced on The Royal Mint website in May. Entrants will only be contacted if they have won a prize.

Over the last few years the Royal Mint has been moving toward a more sustainable way of working by increasing its use of renewable energies and changing what it does by building a new precious metal recycling department on its site in South Wales. As it looks to the future, it'd like you to do the same with your story.

Read the inspiration pages to find out how the Royal Mint is moving towards a more sustainable future, hopefully this will help to inspire you and give you some ideas for your story.

To find out more information, including Sustainable Futures topic inspiration and how to submit your entry, visit The Royal Mint website [here](#).
