Robyn C, Grace, Luca P, Joshua, Ethan B, Jacob R

View the work in the display cabinet under the canopy in the playground.

SCHOOL NEWS

CHILDREN in Year 4 had a fabulous science presentation by a mum and her colleague on Monday afternoon, they learnt all about how urine and blood tests are assessed in an NHS test lab. They then got to try out some testing themselves - not with real samples of course, but with food colouring! They had to grade the various shades of their food colouring samples against a specially prepared chart. Here are some photos of their activities -

YEAR 5 have had fabulous weather for their Bikeability cycle training this week. Here are some of them learning the basics in the playground before they took to local roads -

EASTER is fast approaching now and the school will be holding its annual Easter Egg Decorating Competition AND Easter cake decorating competition, with judging taking place on Monday 31st March, so ALL entries must be in that day. There will be Easter Egg prizes up for grabs! In past years there have been some really fabulous entries and we are looking forward to seeing all your marvellous creations this year.

THIS year, it is actually the 40th anniversary of Comic Relief and schools are being invited to dress up like it is 1985!

We appreciate this is quite short notice to start creating 80s costumes, but if you do happen to have any neon leg warmers, rarra skirts, shoulder padded power suits or shell suits hanging around then feel free to send your child in them!

A few other ideas that might inspire you - 1985 was also the year Eastenders and Blind Date were first broadcast, Prince Harry was born, Back to the Future was a top movie, Only Fools and Horses was a household favourite, Dennis Taylor won the World Snooker Championships, Margaret Thatcher was the Prime Minister, Live Aid took place.....

Otherwise, modern day non-uniform is also absolutely fine.

Donations can be made straight to this fantastic charity via this JustGiving page

link: <https://www.justgiving.com/fundraising/rnd25-yeadon-westfield-junior-school>

Thank you for your support!

Website Videos

<https://www.yeadonwestfield-jun.leeds.sch.uk/>

Other staff may have uploaded videos and slideshows not mentioned here. They will have informed the children involved in them.

Year 4 have been making mountains (models, not full size!). They have been learning how mountains are formed. There are some pictures viewable at **About Us – Curriculum – Geography** or by selecting the Matterhorn below.

If you require further information about the drop in sessions please email LLO@leeds.gov.uk or join the Leeds Local Offer [facebook group](#).

What is Kooth?

Kooth is an online platform to help young people with their mental health and wellbeing. It's a welcoming space for your child to safely explore their feelings. They can anonymously talk to other people their own age on moderated discussion forums, and chat to mental health professionals via messaging. We're a BACP-accredited digital mental health service, and provide free services through the NHS. Our team of professionals are trained to offer clinically-safe advice while lending a supportive ear for whatever your child's facing.

Kooth does not require a GP or school referral. There are no waiting lists or thresholds to meet. All your child needs to do is register with an anonymous username to get immediate access to support.

All of Kooth's services are free, and support is available 24/7, 365 days a year.

Kooth has a range of resources to help families support young people's mental health and wellbeing. Follow the website link below to find out more:
