SCHOOL NEWS

World Book Day

THANK you to all the children (and staff!) who all got dressed up for World Book Day - it was fantastic to see such amazing costumes and ideas.

Thank you also to all the children who took part in the sponsored read, we raised just over £500 which is brilliant. We now have £650 to spend on books. We also have a further £2000 from the Christmas Fair donated by the PTA to spend on new books which is also great news. A special mention to Thea, who raised £88.60!

If anyone would still like to buy books from Rachael Beaumont, you can contact her on 07528 057872.

THIS year, it is actually the 40th anniversary of Comic Relief and schools are being invited to dress up like it is 1985!

We appreciate this is quite short notice to start creating 80s costumes, but if you do happen to have any neon leg warmers, rarra skirts, shoulder padded power suits or shell suits hanging around then feel free to send your child in them!

A few other ideas that might inspire you - 1985 was also the year Eastenders and Blind Date were first broadcast, Prince Harry was born, Back to the Future was a top movie, Only Fools and Horses was a household favourite, Dennis Taylor won the World Snooker Championships, Margaret Thatcher was the Prime Minister, Live Aid took place.....

Otherwise, modern day non-uniform is also absolutely fine.

Donations can be made straight to this fantastic charity via this JustGiving page: <https://www.justgiving.com/fundraising/rnd25-yeadon-westfield-junior-school>

Thank you for your support!

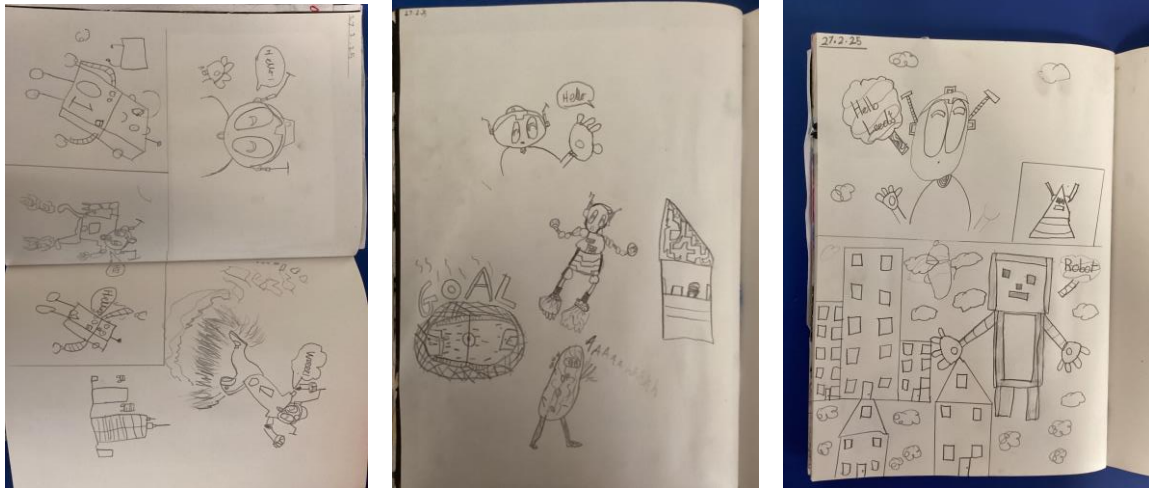

THIS past week there have been lots of fun activities going on in school. Year 5/6 enjoyed themselves making pizzas as part of their scheme of work learning about North America, as pictured below -

WHILE Year 4 enjoyed a visit from one of the mum's who is a biomedical scientist working in infectious diseases. She talked about her lab work and the children got to make mock examples, as pictured below -

YEAR 4 have also been busy recently catching up with The Doodle Off, which the school took part in just before half term. Year 4 students were busy on another project then, so caught up with the event last week. The children got to learn how illustrators Neill Cameron and James Turner work and below are some of the Year 4 children's creations -

A 500-word short story writing competition has been organised by The Royal Mint Museum, open to Primary School children aged from 8 to 11. Entries can be made up until the 25th April.

This year's theme is Sustainable Futures. Over the last few years the Royal Mint has been moving toward a more sustainable way of working by increasing its use of renewable energies and changing what they do by building a new precious metal recycling department on their site in South Wales.

As they are looking to the future, they would like entrants to do the same with their story. For more information please visit the museum's website [here](#).

SPORT NEWS

NINE girls from Years 4 and 5 took part in the U10s Lioness Football Tournament at Harrogate Ladies College today (Wednesday).

Manager Marcus Wardell explained: "The team came third overall out of ten teams. Our players scored some amazing goals and only conceded one goal! Everyone represented the school amazingly, but Neve, Esme and Ava were players of the tournament."

Congratulations girls, super effort! Below are photos from the event:
