## Sukkot

**YEAR 5/6** have been learning about the Jewish festival of Sukkot. We worked in groups to make a shelter called a Sukkah which reminds Jews of their ancestors' experience of living in the desert (after Exodus) for 40 years with only God's protection. Jewish families decorate their temporary shelter with lanterns, garlands and dried fruit. Some of our shelters contained tables and beds to show that Jews eat their meals in the Sukkah and some sleep in it for the 8 days that the festival lasts. Next week, we will be having a Zoom call with a Jewish person and we have come up with some questions about Sukkot that we would like them to answer. See photos on the RE section of the school website.
