EASTER COMPETITION

MONDAY 30th MARCH is just next week! So make sure you have your entries ready for the annual YWJS Easter competition. Either make an Easter decorated cake (which will be cut up and sold in school afterwards, 20p each, so remember to bring in your 20ps) or decorate an egg! Judging will take place on the Monday, so ALL entries must be in that day. There will be Easter Egg prizes up for grabs! We look forward to seeing all this year's amazing entries.

The children had a wonderful time on Red Nose Day dressed up in vibrant colours! And a grand total of £152 was raised for this wonderful charity. Thank you to everyone who donated and made an effort with their costumes.

IF you would like to attend Guiseley Community Foundation's Healthy Holidays events over the Easter holidays (8th, 9th, 13th and 14th April) please contact Mrs Jones or Marcus Wardell for the forms. Mrs Jones is on hand to help with the forms if required.

SPORT NEWS

LEEDS UNITED FOUNDATION GIRLS FOOTBALL SESSION

A huge thank you to **Coach Chloe** and **Coach Faye** from the **Leeds United Foundation** for delivering an amazing Girls' Football session at our school! 🏆 ❤️

The girls had a fantastic time building confidence, learning new skills, and experiencing football in a fun, supportive environment.

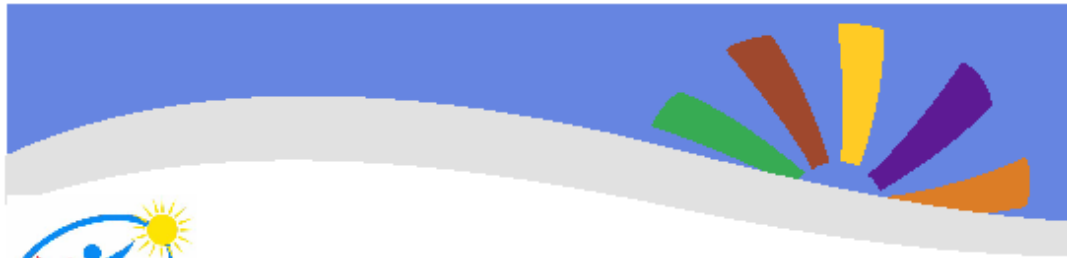

The Girls' Only Programme provides a brilliant, non-competitive introduction to football for girls aged 5-11, focusing on movement, coordination, agility, teamwork, and—most importantly—enjoyment!

We're so grateful for today's session and the positive impact it has on our pupils. 🍌

U11 BOYS FOOTBALL

The U11 boys' footballers drew 0-0 in a classic against St Oswald's. Both sides played really well, creating a number of chances, but both goalkeepers made a number of excellent saves. Well Done Jack for another Player of the Match performance.

Understanding Autism Workshop for parents/carers

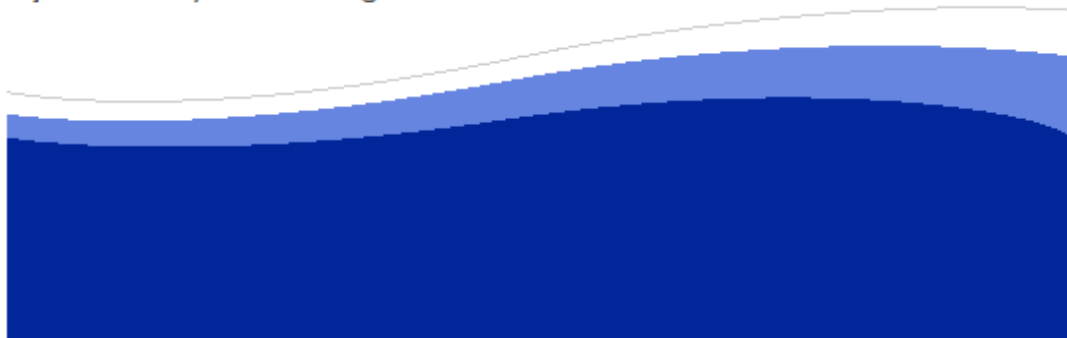

In this session we will explore the strengths and challenges associated with an ASC diagnosis, including communication, social interaction, flexibility of thought and sensory processing differences. The session will draw upon evidence based research and materials to help parents identify and support underlying needs associated with ASC.

This is an opportunity to meet other parents facing similar challenges and share ideas and experiences in a friendly and supportive environment.
