# SCHOOL NEWS

**WELCOME** back for the third and final term! We hope you all have had chance to revive your batteries over the holidays and all the children are ready for their last term of learning and activities.

Teachers across all years will be working hard to deliver yet another packed timetable.

At the end of last term Mrs Piotrowicz took a group of Year 6 children from the Food Ambassador's, Sports and Harmony groups to the annual Leeds Youth Summit at the Civic Hall. The children very eloquently gave their views on the area in which they live. Here are a few photos from the event -

## Understanding Autism Workshop for parents/carers

In this session we will explore the strengths and challenges associated with an ASC diagnosis, including communication, social interaction, flexibility of thought and sensory processing differences. The session will draw upon evidence based research and materials to help parents identify and support underlying needs associated with ASC.

This is an opportunity to meet other parents facing similar challenges and share ideas and experiences in a friendly and supportive environment.
