SCHOOL NEWS

We would like to say a huge well done to all of our Year 6 children for working so hard during the build-up to the SATs and during SATs week. All of the children have displayed excellent learning attitudes towards the SAT papers they have completed this week and should feel proud of themselves! Year 6 were treated to a well-earned ice lolly. Well done Year 6!

HEADTEACHER Lisa Piotrowicz has invited the whole school on an exciting trip to The Great Yorkshire Show in Harrogate on Tuesday 14th July.

Everyone will travel by coach from school at 8.30am, returning from the show at 3.30pm, hopefully arriving back at school at 4.30pm, traffic permitting.

A letter was sent out this week asking for parental consent for every child because the trip will take place outside of school hours. Please ensure you have completed the form and returned it to school. Copies are available from the school office if required.

More information will be sent nearer the time.

SOME children paid a visit to see the animals at None Go Bye Farm on Otley Old Road this week. They had a lovely time meeting and greeting a variety of different animals including goats, pigs and ponies.

We are excited to inform you that the Year 6 children will be taking part in a special Aviation Day in school, delivered by the BMFA (British Model Flying Association). This has been organised by one of our school governors, Mrs Jones, who is a member.

The BMFA is a national organisation that promotes model flying and supports schools in teaching children about the principles of flight, engineering and design. On the day, children will take part in a range of fun, practical activities designed to help them understand how things fly. These may include:

- Building and flying their own aerojet model
- Designing and launching a stomp rocket
- Taking part in flight simulator sessions
- Creating and testing paper planes
- Exploring simple ideas such as lift, balance and stability

WEBSITE NEWS

Some of the eagle-eyed among you may have noticed the school website has been updated - www.yeadonwestfield-jun.leeds.sch.uk, we hope you find it easier and enjoy navigating around it!

Please visit the SEND section of the website. This has been updated with zones of regulation documents, interception activities and the Mind Mate Anxiety workshop slides. It is viewable at the [Key Information - SEND page](#).

Other staff may have uploaded videos and slideshows not mentioned here. They will have informed the children involved in them.

Year 4 has been busy recently.

As part of their Design and Technology studies they have been building mechanical systems and pneumatic toys. You can see slide shows of their creations at [Curriculum - Design and Technology](#) or by clicking this underlined link.

In their English lessons they been doing some hook activities to stimulate their creative writing. These can be viewed at [Curriculum - English](#) or by clicking this underlined link.

There are a series of photos of their Outdoor Learning from Spring Term and Summer Term. These can be seen at [Curriculum Enhancement - Outdoor Learning](#) or by clicking this underlined link.

Year 5 had a Muddy Puddle Day. There is a video of them doing various activities also visible on the [Outdoor Learning](#) page or by clicking the boot print below.

ATTENDANCE FIGURES

Figures for week ending 15/05/2026 -

3B - 93%

5A - 90%

3L - 97%

5H - 93%

[Letters and Forms | Yeadon Westfield Junior School](#)

Also, if anyone would like to make a contribution to the food bank, please bring to reception, donations would be gratefully received. Thank you.

BARNARDOS

Changing childhoods.
Changing lives.

West Yorkshire
Neurodevelopmental
Early Support

Service (WYNESS) provides early, non-clinical support to families of children and young people (up to age 18) awaiting neurodevelopmental assessment or recently diagnosed with Autism and/or ADHD. It operates across Bradford, Calderdale, Leeds, Kirklees and Wakefield, the service responds to

prolonged diagnostic waiting times and post-diagnostic adjustment needs that increase the risk of family distress, escalation of need and pressure on specialist and statutory services.

The service delivers a consistent single point of access across West Yorkshire, offering structured triage and a graduated model of support aligned with Early Help principles, the SEND Code of Practice and NHS Waiting Well priorities. The Service focuses on strengthening parental confidence, reducing stress and anxiety, and supporting children and young people to remain engaged in education, community life and universal services while awaiting assessment or adjusting to a new diagnosis.

Through timely engagement, practical guidance and clear system navigation, the service aims to prevent escalation to higher-cost statutory or clinical interventions.

Referrals are accepted from professionals in CAMHS, School SENDCo, Neurodevelopmental Assessment Teams and GP Practices.

Please email for further details - NESS@barnardos.org.uk

Lifelong Learning Centre

UNIVERSITY OF LEEDS

The [Lifelong Learning Centre](#) at the University of Leeds is running an online event on **Tuesday 9 June** which may be of interest to **parents**.

Supporting Learning Supporting Families

Online Taster Event, Tuesday 9 June, 6:00pm - 7:15pm*

Join the Lifelong Learning Centre to learn about our part-time degrees in [Child and Family Studies](#) and [Learning and Teaching with SEND](#).

These courses can allow you to:

- Develop your career in education or with children, young people or families.
- Balance study around your other commitments with classes taught one afternoon or evening per week.
- Learn in a supportive environment with other adults.

Hear from tutors and current students and get your questions answered.

[BOOK YOUR PLACE HERE](#)

After registering, you will receive a confirmation email containing the link to join the online event. This event will be recorded, so even if you can't make it, you can still register to receive the recording afterwards.
