Emelia P, Rose T, Charlie N, Adam W, Rocco S,  
View the work in the display cabinet under the canopy in the  
playground.

# SCHOOL NEWS

On Friday 22<sup>nd</sup> May the children from Year 6 took part in the Brownlee Triathlon at the John Charles Centre for Sport, Belle Isle.

Organised by the Brownlee Foundation, it's a chance for Olympic triathletes Jonny and Alistair Brownlee to give something back to the community. These events are free and designed to give children a fun, positive experience of being active.

The children were given the chance to swim three sides of the pool, cycle 800m on the track and run 300m. They were all presented with a tee-shirt, a medal and a goodie bag!

# SPORT NEWS

The Year 6 girls' football team put in an excellent performance in their match against St Oswald's. The girls defended amazingly and worked really well as a team. Well done to Lacey for a Player of the Match performance, saving a number of certain goals.

The Year 4 boys' football team won 7-0 in their match against Hawksworth. The boys had an excellent attitude throughout, encouraging and supporting each other as well as the other team. Goals came from Harvey x3, Emmett x2, Cooper and Joel. Well done to Kurtis on his Player of the Match performance.

**HEADTEACHER** Lisa Piotrowicz has invited the whole school on an exciting trip to The Great Yorkshire Show in Harrogate on Tuesday 14<sup>th</sup> July.

Everyone will travel by coach from school at 8.30am, returning from the show at 3.30pm, hopefully arriving back at school at 4.30pm, traffic permitting. 6

More information will be sent nearer the time.

Year 6 children will be taking part in a special Aviation Day in school on Friday. This is being delivered by the BMFA (British Model Flying Association) and organised by one of our school governors, Mrs Jones, who is a member.

The BMFA is a national organisation promoting model flying and supports schools in teaching children about the principles of flight, engineering and design. On the day, children will take part in a range of fun, practical activities designed to help them understand how things fly. These may include:

- Building and flying their own aerojet model
- Designing and launching a stomp rocket
- Taking part in flight simulator sessions
- Creating and testing paper planes
- Exploring simple ideas such as lift, balance and stability

## ATTENDANCE FIGURES

Figures for week ending 22/05/2026 -

3B - 95%

5A - 96%

3L - 98%

5H - 94%
