# SCHOOL NEWS

**YEAR 6** had the exciting opportunity to experience an aviation day delivered by the BMFA (British Model Flying Association) and organised by one of our school governors, Helen Jones, who is a member.

The BMFA is a national organisation that promotes model flying and supports schools in training children about the principles of flight, engineering and design.

Children took part in a range of fun, practical activities designed to help them understand how things fly. This included - building and flying their own aerojet model; designing and launching a stomp rocket and exploring simple ideas such as lift, balance and stability.

They absolutely loved it!
