SCHOOL NEWS

SPORTS Day was a great success on Monday, the sun shone, the lines on the grass were drawn and the children had a fabulous times taking part in all the different events - penalty shoot outs, the sack race and running races among others. Well done to all the participants, they were all wonderful. Here are some photos from across the different years -

YWJS AT DANCE SPECTACULAR AT HEADINGLEY STADIUM

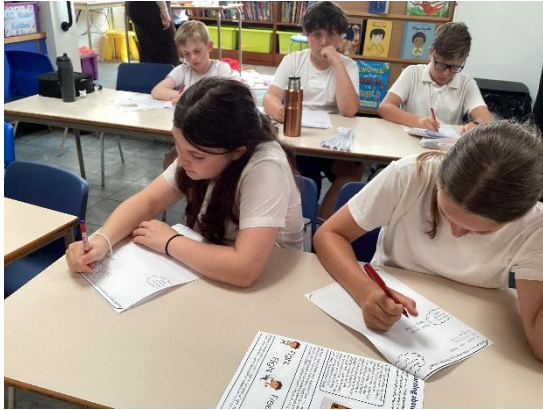

WOW! Our children had a fantastic evening at Headingley Stadium, delivering a spectacular dance performance before the Leeds Rhinos vs Hull Kingston Rovers rugby match.

They performed with incredible energy, confidence, and enthusiasm, making us all immensely proud. It was an unforgettable experience to perform in front of such a large crowd, and the children represented our school brilliantly.

A huge well done to every performer for their hard work and dedication, and thank you to the staff and families for their continued support. What an amazing achievement and a night to remember!

MINDMATE WORKSHOP

YEAR 6 took part in a workshop led by the Mindmate Support Team all about their transition to High School in September last Friday.

It was an opportunity for them to discuss how they are feeling about moving to High School - and how a mixture of emotions is perfectly normal!

We learned some strategies to deal with big emotions such as the Feelings Bucket which is a metaphorical tool to help us 'empty our bucket' in our head when we are feeling overwhelmed with emotions. We are all feeling more prepared for our move to High School!

ESHOLT WOODS TRIP

YEAR 6 had a lovely morning walking down to Esholt Woods as part of their eco-schools study on biodiversity, last Thursday. They conducted studies of the biodiversity within the wood and compared it with the biodiversity in the school grounds. What a great way to enjoy the glorious sunshine!

Leeds Parent Carer Forum Annual Survey 2026

Your voice matters, and we would love to hear from you.

At the Leeds PCF, we work with local services to make sure families of children and young people with SEND are heard. This survey is one of the most important ways you can help shape change in Leeds.

Whether your experience has been positive, challenging, or in between, your feedback helps us:

- Show what is working well
- Highlight what needs to improve
- Share real experiences with decision-makers
- Shape our priorities for the year ahead

This year includes a stronger focus on health, including access to services, autism and ADHD pathways, mental health, feeding, sleep and hospital care.

It takes around 15 minutes and you can skip any questions that are not relevant.

As a thank you, two parent carers will be randomly selected to receive a £30 Amazon voucher.

Please complete one survey per child.
